

TOLEDO

- Through or Around?

I-75 Northbound construction & detour until December, 2016

I-75 North (to Detroit)

Potential I-75N traffic backup

Temporary turn-around ramps

- Southbound - through Toledo**
1. Take I-75 exit 208 to I-280 exit 11
 2. Drive southwest on Greenbelt Pkwy
 3. Cross LaGrange and Cherry to continue on N. Michigan (one-way)
 4. Move to left lane before Monroe
 5. Follow I-75 South sign at Washington

Did you know that going through downtown Toledo is a shorter route and can be faster than staying on the interstate. I-75 between exit 208 and exit 201 is 7 miles. This shortcut route is only 3 3/4 miles.

On a weekday, we left I-75 at exit 208 at 11:30 a.m. and rejoined I-75 seven minutes later, at the exit 201 southbound ramp.

Here's an easy map to help you take this short cut. Try it . . . you might like it.
